Rabanit Mazal Shara'abi Remembers

I was born on the first day of Nissan. How many years ago? I'm not sure. No one in Yemen¹ wrote down dates of birth²!

Life in Yemen was interesting. I like to remember how we grew vegetables in the garden, played with our chicks, and decorated our dresses with flowers. All the girls
5 liked to play together.

But one day, everything was different. My father suddenly fell on the floor. I did not understand what happened. My mother cried and said, "My daughter does not know that she doesn't have a father now!" I never imagined I wouldn't see my father again.

After a few months, my family had a plan. They decided to go to Israel. We were
10 excited to go. On the way, someone stole our bags. We lost everything!

When we arrived, we lived in Pardes Katz. Later, we moved to another place. It was hard in the beginning. But now I am very happy to be with my family in Israel!

¹ Yemen - תימן

² dates of birth - תאריכי לידה
